TOUR NAME : MANGROVE WILDLIFE & FIREFLIES CRUISE + DINNER
DURATION : 05 HOURS
DEPARTURE : 1600HRS
TOUR CODE : BX 11i
TOUR PRICE : RM280 PER PAX (MIN 2 PAXS SIC)

Pick up from your hotel and enjoy the scenic 45 minutes drive towards Damai Peninsular for a **Mangrove Wildlife Cruise** at the Kuching Wetlands National Park (designated a wetland of international importance under the RAMSAR Convention in 2005). We explore the river estuaries at the Park. The mangrove shoreline offers sightings of many exciting wildlife including proboscis monkeys, long tailed macaque monkeys, silver-leaf monkeys and monitor lizards. A range of bird life, including kingfishers, white-bellied sea eagles and other shore birds can also be found there. If you are lucky, you may even catch a glimpse of the illusive Irrawaddy Dolphins as they frolic around the estuaries in the morning hours or near sunset. *Please note that these animals are wild and therefore, there is no guarantee that visitors will see them.* Transfer back to your hotel after the tour.

The evening cruise may get chilly, so do wear suitable clothing. Return to dry land for a late dinner to the local restaurant before returning to your hotel.
