SEMENGGOH ORANG UTAN REHABILITATION CENTRE

TOUR NAME : SEMENGGOH ORANG UTAN REHABILITATION CENTRE
DURATION : 03 HOURS
DEPARTURE : 0800HRS & 1400HRS
TOUR CODE : BX 05
TOUR PRICE : RM50 PER PAX (MIN 2 PAXS SIC)

Depart your hotel to visit the **Semenggoh Nature Reserve**. The entire facility occupies an area of 740 acres, the only remaining green belt near the city which acts as a sanctuary for Orang Utans. The main attraction is undeniably the Rehabilitation Centre, a temporary home for displaced Orang Utans that have been rescued from captivity and young orphaned primates. These animals are trained or re-trained to survive in their natural habitat. They learn how to forage for natural food and build nests in the trees. Many have been returned into the surrounding area. However there are few that will never re-learn their wild skills due to their long association with and resulting dependence on humans. Take a walk on the trails and try to spot semi-wild Orang Utans. There are feeding times scheduled everyday at the feeding platform. However always bear in mind that the main aim of the Centre is to return these animals back into their habitat. Do not be disappointed if you do not see any roaming the jungles or coming back to feed as this means they are able to forage on their own and do not need human assistance. Transfer back to your hotel after the tour.
