

2023 japan

Diamond Princess® sails Japan in 2023 departing from Tokyo (Yokohama) and Kobe with 38 destinations in four countries. Discover the culture, history, cuisine and natural wonders of this island nation. Sail where ancient traditions and modernity coexist in harmony on the #1 North American Cruise Line in Japan.

Festivals, flowers & foliage: There are many opportunities to see storied local festivals, including the Kyoto Gion Festival and the popular Aomori Nebuta Festival. We also have sailings that arrive when Japan's famed spring flowers are in bloom and during the vibrant fall foliage. Don't miss an opportunity to wander under canopies in Kochi, and see the striking scenery of cherry blossoms surrounding Kochi Castle.

Legendary sites: You'll have the opportunity to visit seven UNESCO World Heritage Sites including Mount Fuji, Ancient Kyoto, the Buddhist Monuments in the Horyu-ji Area, the Hiroshima Peace Memorial and the Shrines and Temples of Nikko.

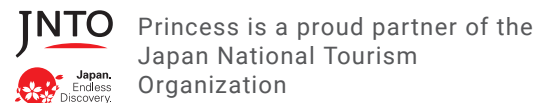

Authentic & accessible: Enjoy itineraries and offerings crafted with area tourism boards to showcase the best of

local culture, from local landmarks to cuisine. Take in the night life with More Ashore late-night calls in Akita, Busan, Hakodate, Kobe, Tokushima and more. Onboard, enjoy folkloric shows and regional dishes, as well as familiar favorites like our signature pastas and pizza, Broadway-style shows and Movies Under the Stars. And book your flights seamlessly with Princess® EZair®.

Japan cruisetour: The Highlights of Japan cruisetour includes the main sights in Kyoto and Tokyo. Enjoy sightseeing at Nijo Castle and famed Kinkakuji Temple (Golden Pavilion), the Great Buddha of Todaiji Temple and Kasuga Taisha Shrine. Plus explore the UNESCO World Heritage site of Mt. Fuji with stunning views from Togendai and Lake Ashi.

"We love working with Princess Cruises®, and they have really put so much effort into bringing an immersive and varied Japan experience to their guests. You can really dive into this incredible destination and see more of the country with ease – all while still being able to return to those creature comforts at the end of a long day exploring. What a great way to see Japan!"
